I support masks for kids

To whom it may concern,

I realize that there is a statewide mask mandate so this is currently a moot point, but I heard a rumor that some parents were planning an anti-mask rally at the Livermore district board meeting and so I just wanted to formally register the fact that i, as a parent of a soon-to-be first-grader at Altamont Creek Elementary, fully support the district following any recommendations for mandatory mask-wearing for the kids, as long as the covid situation indicates that it's helpful. My son had no problem wearing a mask for kindergarten last year (after we started in-person learning for the last couple of months of school). He adjusted to it quickly and i appreciated that he never got sick (not even the normal colds that he got on and off all year when he was in day care) and our family had a bit more peace of mind.

Thank you,  
Amy
