Comments *	Dear School Board President Bueno and School Board Trustees, Thank you for your support of a compensation increase for LEA Members in the 20-21 school year. In order to remain competitive with surrounding school districts, I'd like to request support in the 21-22 budget with ongoing funds to make Livermore one of the top paying districts in our region. Please enjoy a well deserved summer vacation after supporting our entire district staff in this very different school year.
