Subject: Dear School Board

Dear School Board Members,

As we prepare for the 21-22 school year, I am in strong favor of enforcing the mask mandate set by the State and CTA. I am a parent of a first grader at Jackson Avenue Elementary. I appreciate your support in enforcing masks for all as we seek to protect our unvaccinated children against the new and highly contagious delta variant. With classrooms being at full capacity, it is more important than ever that we make science driven decisions to keep our kids in school. If mask wearing is not enforced in our district I will be forced to consider homeschooling my child. He has already missed in person school for his Kindergarten year. Kids need to be in school and implementing the mask mandate is an easy and compassionate thing to do for our kids and community.

Sincerely,

Alice Conover
