Masks

My vote is no masks in schools. Too hard for teachers to teach through them. Kids need to see their facial expressions. Kids masks are so gross when they come home, it's so unsanitary. They don't wear masks anywhere else, but they do in school? Double standard. "Kids, let's go to a carnival this weekend & be on top of others... oh but don't forget your mask with your classmates" makes no sense. Immediately after school, play dates are happening with no masks... grocery shopping, sports, gatherings.. all happening. All is silly to me. Went to another state for 3 weeks this summer, we didn't put out masks on once! WI State fair was jam packed & no masks! it was normal. It was beautiful. People weren't dropping dead.
