Hello,

My daughter, Lily, will be starting 3rd grade and my son, Evan, will be starting kindergarten this fall at Arroyo Seco. I am very worried about school starting during a surge of a very contagious variant of the coronavirus. As a healthcare practitioner, I thoroughly understand the measures necessary to protect our community. Masks are extremely important protective gear to help minimize the risk of viral spread and would appreciate it if the policy of mandating masks for all children, staff, parents and volunteers on campus to remain in tact. Please heed the advice of our healthcare institutions and protect our children by keeping masks on!
