Masking Requirements

Dear School Board Members,

I am writing today regarding the mask requirement for our schools. I am asking for the board to require masks for our students for all grades K-12. I understand that there has been plenty of misinformation regarding COVID-19, masking and vaccines. While I realize that families may have a variety of beliefs on this topic and choose to follow different protocols in their homes, school is a public place for all children and all children deserve to be kept safe. Due to the fact that COVID continues to mutate and has become even more infectious, it is to the betterment of all that we protect our students and our teachers from infections. I respectfully request that you vote to require masks for everyone on any school property. Thank you for your time. - Kim Mayes
