Masks in school

Dear Dr. Bowers and the Livermore School Board,

I am writing on behalf of my family and our desire to encourage this Board to follow the CDC guidelines and enforce mask wearing in all our schools for the coming school year of 2021-2022. I honestly didn't think I would have to write to support the science with a national lab in our town but I have heard growing voices against such policy and we are completely against not enforcing a mask mandate; for the safety of all our children and teachers and staff!

Please continue to follow the science and the CDC and enforce mask mandates in all Livermore schools.

Thank you for your consideration.

Sincerely,
The Gable Family
