

Livermore Valley Joint Unified School District Introduction to Districting

October 15,
2024

Election Systems

1. “At Large”
2. “From Trustee Area” or “Residence” Trustee Areas
3. “By Trustee Area”

**The California Voting Rights Act
was written to specifically
encourage by-district elections.**

California Voting Rights Act (CVRA)

- Under the Federal Voting Rights Act (passed in 1965), a jurisdiction must fail 4 factual tests before it is in violation of the law.

- The California VRA makes it significantly easier for plaintiffs to force jurisdictions into “by-district” election systems by eliminating two of the US Supreme Court Gingles tests:
 - ~~■ Can the protected class constitute the majority of a district?~~
 - Does the protected class vote as a bloc?
 - Do the voters who are not in the protected class vote in a bloc to defeat the preferred candidates of the protected class?
 - ~~■ Do the “totality of circumstances” indicate race is a factor in elections?~~

- Liability is now determined only by the presence of racially polarized voting and dilution of the protected class’s ability to elect or influence the outcome of elections.

CVRA Impact

- **Switched (or in the process of switching) as a result of CVRA:**
 - At least 328 school districts
 - 46 Community College Districts
 - 200 cities
 - 1 County Board of Supervisors
 - 73 water and other special districts.

- **Palmdale, Santa Clara and Santa Monica fought “on the merits.” All lost.**
 - Santa Monica: CA Supreme Court sent case back down. Now back in Superior Court.
 - Palmdale spent about \$1.8 million, Santa Clara \$1.37 million, and Santa Monica over \$7 million, just on their defense.
 - Santa Monica plaintiffs requested \$22 million
 - So far, no jurisdiction has won a case.

- **Sample settlements and fee awards:**
 - Palmdale: \$4.7 million
 - Santa Clara: \$3.8 million
 - Modesto: \$3 million
 - Highland: \$1.3 million
 - Anaheim: \$1.1 million
 - Whittier: \$1 million
 - Santa Barbara: \$600,000
 - Tulare Hospital: \$500,000
 - Camarillo: \$233,000
 - Compton Unified: \$200,000
 - Madera Unified: about \$170,000
 - Hanford Joint Union Schools: \$118,000
 - Merced City: \$42,000

- **An estimated \$20 million in total settlements and court awards so far.**

Districting Rules and Goals

1. Federal Laws

Equal Population
Federal Voting Rights Act
No Racial Gerrymandering

2. California Criteria

In prioritized order:

1. **Geographically contiguous**
2. **Avoid division of neighborhoods and “communities of interest”**
(Socio-economic geographic areas that should be kept together)
3. **Avoid division of Cities and Census Designated Places**
4. **Easily identifiable boundaries**
5. **Compact**
(Do not bypass one group of people to get to a more distant group of people)

2. California Prohibition

“Shall not adopt election district boundaries for the purpose of favoring or discriminating against an incumbent, political candidate, or political party.”

3. Other Traditional Redistricting Principles

Future population growth

Defining Neighborhoods

1st Question: How do you describe or name the area where you live?

2nd Question: What are its geographic boundaries?

What other neighborhoods are there?

Examples of physical features defining a neighborhood boundary:

- Natural neighborhood dividing lines, such as highway or major roads, rivers, canals and/or hills
- Areas around parks or schools
- Other neighborhood landmarks

Defining Communities of Interest

California Elections Code Section 21130(c)(2):

A “community of interest” is a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation.

The shared interests may include (but are not limited to):

- ❑ Shared public policy concerns such as education, public safety, public health, environment, housing, transportation, and access to social services. cultural districts;
- ❑ Shared socioeconomic characteristics;
- ❑ Similar voter registration rates and participation rates; and /or
- ❑ Shared histories.

Definitions of Communities of Interest may not include relationships with political parties, incumbents, or political candidates.

Your Turn:

1. **What area do you consider your neighborhood?**
2. **What are your “communities of interest”?**

For each answer, please provide:

- **Geographic boundaries**
- **The history or defining shared characteristic of the area**

In the absence of public testimony, planning records and other similar documents may provide definition.

1. **Any other questions about the process, criteria, maps, or any other part of this process?**
