Comments *	<p>I've heard a "buzz" re: the next school board & parents protesting the mask mandate. I felt compelled to write in defense for ALL the vulnerable children who are still not eligible to get the vaccine, where a mask is essentially their main form of defense.</p> <p>It looks like LVJUSD plan to follow the state & county guidelines. I hope the school board will continue to keep the kids' & all the staffs' health & safety as the top priority & not buckle to parents who may try to spit venom to get their way.</p>
