Hello,

First I would like to say thank you to all the board members. This last year I kept my child out of school due to the pandemic, she was suppose to start kinder last fall. This next year she will be starting kinder in person. I am a concerned parent when it comes to safety of my child and the school staff who will be in person with all the students. I am hopeful that you all stay strong in upholding a mask mandate so our kids are safe, so my child is safe. It saddens me to see all these parents try to bully you all into taking masks off. Covid 19 has been taken very serious in our family, unfortunately my mother tested positive for covid last week. As a family we were terrified of losing her but also it reinforced our belief in protecting ourselves and especially my child from "germs" as I tell my daughter. Thank you.
